

NORTH DAKOTA RESIDENT TUITION WAIVER FORM - FOR NON-FARGO STUDENTS ONLY

Fees for out-of-district students will be as follows:

Credit Classes (High School): The enrollment fee will be the same as quoted if the waiver form is used (see below).

- ◆ To be eligible to receive a waiver credit, a student must:
 - Have graduated from the 8th grade
 - Be a resident of North Dakota
 - Provide their ND state ID number (10 digit #) and their home school plant number

- ◆ Any eligible student may use the waiver form authorizing the Fargo Schools to receive any state aid available **FOR THE SUMMER ONLY**. This waiver form will allow the student to register at the same rate as district students. The form to be used is included on this page.

- ◆ Out-of-state residents will be charged a fee of \$200.00 for each one-half credit.
(This fee will also apply to out-of-district North Dakota residents who DO NOT furnish the waiver form completed by their home district.)

The waiver policy applies only to courses where credit is earned toward graduation and therefore does not apply for non-credit secondary courses or any elementary course.

The student named below intends to register for credit courses in the Fargo Public Schools' Summer School Program. The signature of an administrator representing the student's home district will permit the student to take classes for the same fee charged in-district students, and will authorize the Fargo Public Schools to request of the State Department any state aid payment available for said student for the summer of 2019 only.

It is further understood that the student will assume all costs of fees and/or supplies and that no encumbrances of any kind will be placed on the home school district of said student.

Student Name _____ **Grade Completed in 2018/19** _____

Course or Subject _____ **IEP/504** _____

Date of Birth _____ **ND State ID# (10 digit #)** _____ **School Plant #** _____

Name of School District _____

Administrator's Name Printed _____

Administrator's Signature _____ **Date** _____

High School Registration Form (Credit Classes Only)
